## Why You Should Attend

When corporations hurt people, but the damages are too small to pursue, who will stand up for them?

Explore the fascinating (and often entertaining) world of class action lawsuits where plaintiffs and their lawyers take on powerful corporations. Hear “war stories” from actual successful (and unsuccessful) class action lawsuits and defenses against them. Learn the challenges inherent in certifying class actions and how corporate defense lawyers have successfully overcome them. Watch entertaining films illustrating famous class action lawsuits and explore their unique factual and procedural nuances.

Experience top-tier education in a relaxed “coffee-house” atmosphere and enjoy delicious cappuccino, a gourmet brunch with home-baked goods, and live music (all-inclusive with your lecture fee). Discover that earning your CLE credits can be a great experience!
